

Hair Design Workshop

Enhancing the outward appearance to the glory of God

The **Hair Design Workshop** encourages ladies in self-acceptance as they learn skills for maintaining healthy hair, skin, and nails. These skills are for use in family ministry. This *two-week* course provides instruction and practice in basic and advanced haircutting techniques.

Other activities include perm wrapping, skin/nail care, roller sets, styling, braiding, sanitization, choosing quality products, advice from pros, and discipleship.

Age requirement is 16 and up. Mothers are greatly welcomed! (*"Beginnings HDW" is for ages 13-16*)

Please note that students do **not earn credit hours toward obtaining a cosmetology license.*

Tools that will be needed for this class should be purchased ahead of time. These include quality haircutting shears and clippers with new blades and a haircutting cape. Each of these items can be purchased at Sally's Beauty Supply. Shears range from \$35-\$ 100. It is strongly recommended that students invest in better quality tools to avoid disappointing results. Higher quality tools, though more expensive, give long-lasting use and higher quality haircuts.

All other supplies will be provided at no extra cost. The cost for the course, including room and board, is \$475* (plus a \$20 round-trip transportation fee if you are flying)

*For those not currently enrolled in ATI, the cost is \$500 plus \$20 transportation fee.
